## WINTER IS COMING!!

As always, please ensure that ALL boats, campers, and trailers are stored away properly.

Please do not park directly across from another vehicle, as it is difficult to get the snowplow and sand/salt truck between the vehicles. It is also a safety concern for emergency vehicles to get through.

The Village policy for snow removal is the following: Plowing will begin once there is 3" of snow on the ground. Please remember, it may take a while to get from one end of the town to the other but plowing will begin once 3" accumulates on the roads.

Please have ALL sidewalks cleared per Malcolm Municipal Code 8-203:

8-203 Sidewalks; kept clean. It shall be unlawful for the occupant of any lot or lots, or the owner of any vacant lot or lots, within the corporate limits to allow snow, sleet, mud, ice, or other substance to accumulate on the sidewalks, or to permit any snow, sleet, ice, mud, or other substance to remain upon said sidewalk. All sidewalks shall be cleaned within five (5) hours after the cessation of a storm, unless the storm, or fall of snow, shall have taken place during the night, in which case the sidewalk shall be cleaned before eight-thirty (8:30) a.m. the following day. (Ref. Ne. Rev. Stat. §17-557)

If you have a fire hydrant nearby, please help by scooping around it to make it easier and faster for the Malcolm Fire Department to hook on if needed.

**MALCOLM CLEAN UP DAY** is scheduled for April 16, 2022, with a rain date set on May 7, 2022. This year the Board is working on getting the Salvation Army or Good Will Truck to come out for a one site pickup later in the day on the same day as the annual clean up. Watch for further information

**MALCOLM CAR SHOW** is scheduled for August 21, 2022, please contact Nadine Link or any Board member if you would like to sponsor a car class or know of anyone that would like to sponsor a car class; or rent a table to sell items or do some advertising. Please keep in mind all proceeds go to the park fund or to the Malcolm Volunteer Fire Department.

The bridge on NW 105<sup>th</sup> between Spur 55 and McKelvie Road has been closed by the Lancaster County Engineer due to safety issues. No one has any idea, or they are not divulging the information as to how long the bridge will be closed.

**MALCOLM ROAD WILL BE CLOSED FOR THREE DAYS** – Due to some cracking on Malcolm Road. Malcolm Road from Lincoln Street (General Store Road) to 1<sup>st</sup> Street (behind the Lancaster County Building) will be closed sometime the week of December 6<sup>th</sup> for 3 days if it works for the contractor.

The Village Board is asking all school traffic to go up East Street (in front of the old high school) to West Bluff Road to get to school from the east, or come in from Highway 34 on 112<sup>th</sup>.
